

Castello di Querceto

TUSCAN RED

The Querceto Tuscan Red displays all aspects of the Tuscan countryside – where the various terrain, the luscious hills of Chianti and Valdarno, and optimal sun exposure come together.

The Merlot & Cabernet Sauvignon are produced in the Valdarno hills where the soil is rich in marlstone and clay; the sun is notably bright, but nights are cool – important for optimum ripening of these grapes. The Sangiovese is planted at the highest elevation of the Chianti region. This wine expresses the fresh scents and balanced flavors associated with the vineyards of Castello di Querceto.

Varietals: 60% Merlot, 30% Sangiovese, 10% Cabernet Sauvignon

Color: Intense ruby red with garnet highlights

Bouquet: Aromatic, with savory rosemary and forest floor notes which compliment the black raspberry fruit nose. Toasty oak notes add depth and spice to the nose.

Flavor: Medium body; harmonious palate of saturated dark red fruits gently supported by a finely integrated tannin structure. A slight hint of vanilla & toast complete the overall flavor impression of dried cherry, blackberry and plum.

Pairings: The ideal accompaniment to pastas and meat dishes, charcuterie and pizza.

Alcohol: 13%

Serving temperature : 61-64°F
