

NOS

Teroldego Rotaliano DOC Riserva

NOS is a Mezzacorona wine of superb quality with a limited number of bottles being produced only from excellent vintage years. The wine grapes are hand picked from the very best vineyards in the Rotaliana Plains, the classic area for the production of Teroldego Rotaliano DOC.

PRODUCTION AREA

Mezzacorona grows this variety in the Rotaliana Plains in Trentino.

VINIFICATION

Vinified in small stainless steel tanks, NOS spends the first two years of the refining process in specially selected barrique and then another year in precious oak barrels. It is then bottled where it is left for another twelve months to perfect the refinement process.

CHARACTERISTICS

It is an intense ruby red wine, with subtle reflections of mauve and a characteristic fragrance which is intense, pleasantly fruity with hints of woodland fruit, in particular myrtle and wild blackberry together with a classic and exclusive flavour of black truffle and leather. Spicy fragrances meet vanilla coming from the aging in wood. It leaves a perfect balance of concentration and pleasantness as the wine boasts a complex range of balsamic flavours, a dry flavour full of character and with a slight touch of almond. The tannins give it a velvety texture and solid and compact structure.

ALCOHOL CONTENT

13,5%

PAIRINGS

A fine tasting wine able to satisfy the most demanding palate and ideal to serve during important gatherings and celebrations. It goes perfectly with dishes from the best Italian cuisine. The wine's elegance and body makes it a wonderful accompaniment for rich dishes such as red meat roasts, braised beef, game, truffled dishes, mature and tasty cheeses. Its special traits render NOS an excellent meditation wine.

SERVING TEMPERATURE

64-68°F
